

Beginning in Atlanta with a goal of expanding across the nation, the **CARE Women's Network** is galvanizing and growing an active community of women ambassadors committed to furthering CARE's vision of a world of hope, tolerance and social justice, where poverty has been overcome and all people live with dignity and security.

CARE Women's Network serves as a complementary and dynamic resource for CARE as well as for its membership. *Members become our partners* and help to provide the support CARE needs while enjoying exclusive and meaningful opportunities to learn, to advocate, to network and to be a part of something special – women empowering other women.

Please mark your calendars for our 2017 engagements:

- **January 19:** Scale X Design Pitch Practice – help us bring CARE's most promising ideas to scale
- **March 8:** *The (Ir)relevance of Education* – we will hear from global experts about the fight to reach the most marginalized girls [members-only event]
- **May 22-24:** CARE National Conference in Washington, DC. Join us as we bring our US movement to life in a three day meeting of inspiration, thought-provoking discussions, and a day on Capitol Hill advocating for US policies that positively impact women and girls around the world. Special offerings for CWN members include a private tour of the Library of Congress and a private dinner at an Embassy.
- **Fall:** A life-changing opportunity to experience CARE's impact firsthand by traveling with us to Jordan to learn more about the work to assist refugees and the communities hosting them.
- **October:** Join us for a dinner with CARE's top leadership from all of the countries in which we program
- **December:** our annual membership luncheon

CARE Women's Network membership

Membership in the CARE Women's Network starts at \$1,000 annually (which can also be broken up into an \$85 monthly auto-draft).

All CARE Women's Network members enjoy invitations to an annual luncheon with the CEO, issue-specific programming with dynamic guest speakers, VIP participation in the annual Walk In Her Shoes event, and exclusive access and discounted registration at the annual spring CARE National Conference in DC including a private tour (in 2017 this will be the Library of Congress) and an invitation to a private dinner hosted by an Embassy.

Members who join at the Investor level of \$5,000 annually will receive everything listed above and the added benefits of invitations to leadership receptions, insider briefing calls with the CEO, and registration fees will be waived for the annual CARE National Conference in DC and will include a private tour (in 2017 this will be the Library of Congress) and an invitation to a private dinner hosted by an Embassy.

Members who join as Partners by giving \$10,000 annually will receive everything listed above and also be invited to travel to the field with CARE to see and experience the impact of your support first-hand, and registration fees will be waived for the annual CARE National Conference in DC and will include a private tour (in 2017 this will be the Library of Congress) and an invitation to a private dinner hosted by an Embassy.
