

MOVING BEYOND THE RHETORIC:

How the Trump Administration & 115th Congress Can Elevate Women's and Girls' Voices

Join CARE and these Distinguished Speakers

as we explore the case for empowering women and girls through economic empowerment and how we can accelerate change for those affected by humanitarian crises. You'll hear from leaders and change agents who are making a lasting impacting to save lives, defeat poverty and achieve social justice for women and girls around the world.
