

# Frequently Asked Questions About CARE's Campus Connection Program

## Q: What exactly is the CARE Campus Connection Program?

**A:** The CARE Campus Connection is your go-to program for making real change on your campus and beyond! This year, we're partnering with Delta Sigma Theta Sorority, Inc., empowering student leaders to stand up for global issues that impact all of us—gender equality, climate action, and so much more. You'll get to develop leadership skills, gain advocacy experience, and become part of a national community working for positive change.

## Q: I'm not a member of Delta Sigma Theta Sorority, Inc. Can I still get involved?

**A:** Yes, absolutely! While we're partnering with collegiate chapters of Delta Sigma Theta Sorority, Inc. right now, our goal is to expand to even more college campuses and student organizations in the future. Stay tuned—your chance to join might be just around the corner! Follow us to keep in the loop!

## Q: What's the time commitment?

**A:** Great question! The program runs throughout the collegiate school year and includes exciting events, advocacy training, and campaign planning with your campus. We'll support you the whole way and make it easy to balance your role with school and other activities. Think of it as a steady, empowering commitment to creating change that works with your schedule.

**Q: What kind of advocacy work will I be doing?**

**A:** You'll be the voice of change on your campus! From meeting with lawmakers to creating buzz about issues like gender equality and global justice, you'll have a range of advocacy activities to dive into. Plus, we'll give you all the tools and training you need to make a lasting impact.

**Q: How can I apply or get involved?**

**A:** If you or your campus organization is interested in joining the movement, stay tuned! We're expanding soon, and new opportunities will be announced. Keep an eye out for updates!

**Q: Will I get support from CARE?**

**A:** Definitely! We've got your back with training, resources, and a supportive network of leaders and advocates. You'll be well-equipped to tackle issues that matter to you and empowered by an entire community working toward the same goals.

**Q: How does this help me grow as a leader?**

**A:** In so many ways! From public speaking and leadership skills to real-world experience in advocacy and networking, this program is designed to give you the tools to make a difference **\*and\*** grow your resume. You'll walk away with skills and connections that'll help you in whatever you pursue next!
